# JUDD SAYS CHINA AND GERMANY IN KEY WORLD ROLE

The destinies of Germany and China will determine the futures of Europe and Asia, respectively, Dr. Walter H. Judd, congressman from Minnesota and a former medical missionary to China, told a capacity crowd Sunday evening in the Presbyterian church here.

Appearing on the Methodist- Presbyterian Sunday Evening Hour, Dr. Judd discussed the relation of the church in the making of the peace.

"As Germany goes, so will go the remainder of Europe," he asserted and predicted that Germany's future will be determined by what happens in the crisis-ridden Mediterranean countries of Turkey, Italy, Greece and France.

China holds the key to Asia's future, he said, and observed that China no longer looks to the United States with the complete trust it once held for this nation.

**Gives Requisites for Peace**

The speaker said that "penitence for the job we did after victory in the first World War," is the first "condition of peace" as this nation seeks to win peace for the world now. He declared the people of the United States placed too great trust in the false remedies of education and science.

Justice, mercy, a spirit of cooperation in every aspect of international life and the spirit of faith are the other conditions on which peace may be attained, Congressman Judd stated. He stressed the importance of the role of "men and women in the church, Christians working together" in promoting good will among the peoples of the earth.

Referring to the current difficulties between the Western powers and Russia, the speaker observed that Russia has some grounds for being distrustful of a nation whose "words and deeds" have not always corresponded and he reminded the audience that the United States had urged Russia at Yalta to break a treaty with Japan and aid the Allies in the war in the Pacific.

The worship service was conducted by the two pastors, the Revs. Floyd A. Carroll and Robert M. Hunt. There was an anthem by the church choir.

# SCHUMAN FORMS NEW CABINET TO HANDLE STRIKES

By ROBERT LUNSON  
Paris, Nov. 24 (AP)—Premier Robert Schuman announced today the formation of a new coalition cabinet and immediately plunged into the task of dealing with a spreading wave of strikes that threatened the nation with economic disaster.

Already tied up by walkouts were nine out of every 10 railroads in France. All the country's harbors and most of her coal mines were idle, and all grade schools in the capital were closed.

The situation was further complicated by the threat of disturbances arising from a one-franc increase in subway fares in Paris, which went into effect at 6 a. m. today.

**Seventh Since Liberation**  
To meet the threat several thousand mobile guardsmen were rushed into the city last night and reservists of the 1947 class, who recently were called to duty, were assembled in a gymnasium at Fontainebleau, 40 miles south of the capital.

Schuman announced the formation of his new government at 12:15 a. m., after 36 hours of negotiating with the leaders of all major political parties except the Communist and Gen. Charles de Gaulle's Rally of the French People (RPP).

The cabinet — France's seventh since her liberation from German domination — is composed of six members of Schuman's popular Republican movement (MRP), five members of the Socialist party's radical right wing, three middle-of-the-road radical Socialists and one moderate independent Republican.

Retained as foreign minister in the new government was Georges Bidault, a member of the MRP, who is scheduled to depart for London tonight to participate in the big four foreign ministers' conference, which opens there tomorrow.

# GEN. MEYERS IS HOLDER OF DSM

Washington, Nov. 24 (AP) — Maj. Gen. Bennett E. Meyers whose extra-curricular activities during World War II made headlines for the past two weeks, began his army career in the last year of World War I.

His service, which included more than 25 years in the regular army, ended with his retirement from the air force on Aug. 31, 1945. On Nov. 13, 1945, Meyers received the DSM — highest non-combatant military decoration — and the Legion of merit from Gen. H. H. Arnold, wartime Army Air Force chief.

The DSM was awarded Meyers for what the citation described as "his exceptional professional ability in the field of technical supply and maintenance and by his unusual performance in key positions." It covered a period of from May, 1943, to July, 1945.

The Legion of Merit citation said that Meyers "brilliantly conceived and developed the system of production and controls which made possible the present levels of aircraft production." It covered the period of January, 1942, through March, 28, 1943.

Arnold told the Senate War Investigating subcommittee Saturday that its disclosures of Meyers' wartime activities were "heartbreaking to those who thought they knew the man."

Meyers reached his rank of major general, which he held at the time of his disability retirement on a \$461 monthly pension, Feb. 22, 1944.

Hermosa Beach, Calif., Nov. 24 (AP) — Mrs. Minnie Kennedy, revivalist and mother of the late Aimee Semple McPherson, one of the world's foremost evangelists, died yesterday at the age of 78.

Mrs. Kennedy and her red-haired daughter, Aimee, frequently were at odds but at one time, in the midst of their bickering, she told reporters "Aimee is my baby; I wish her well and pray for her."

Aimee died in Oakland in September, 1944.

# COLD WAVE IS HEADING EAST

(By The Associated Press)  
The heaviest snowstorm of the season was blowing out of the Great Lakes and northern midwestern states today, a forerunner of another cold wave for the area.

The snowfall at Chicago was expected to measure four inches by midmorning. The Weather bureau said, however, that most of the snow came with the temperature hovering around the freezing mark and that it turned to slush as it fell on the warm ground in eastern Iowa, northern Illinois and northern Indiana.

A cold wave "considerably below normal" was moving eastward from the high plains area, and was expected to spread over most of the middle west by morning, the Weather bureau said. Temperatures at Chicago were expected to begin dropping this afternoon from a high of 32 degrees and reach a low of around 15 tomorrow.

The midwestern cold blast extended from North Dakota, where Fargo reported an icy -9 today, into the southwest, the Weather bureau said. Rain was reported in the Ohio and Tennessee valleys but elsewhere the nation generally had clear or partly cloudy weather with temperatures near the seasonal normals.

# WHITE SLAVERY RING SMASHED

Portsmouth, O., Nov. 24 (AP)—Fifteen men and 28 women, caught in what the FBI described as a crack-down on three-state operations of a white-slavery ring at nearby Ironsides, Ohio, were to appear before U. S. Commissioner Laurence M. Kimbel today.

The FBI swept into Ironsides, a bustling little city of 20,000 located just across the Ohio river from several West Virginia and Kentucky cities, about midnight Saturday.

Almost simultaneously, agents arrested five persons in Illinois, Missouri and California, including a man and a woman at Columbus, O. But the sudden smash was directed primarily at a two-block "call house district" in Ironsides known as "the line" for 60-odd years.

Most of the 48 were detained as material witnesses. Eleven were charged with violation of the white slavery act, although only seven of these will appear in court here today.

Striking shortly before midnight Saturday, 66 G-men moved swiftly through nine houses in "the line" just as that tawdry area began to swing out full blast. Last night "the line" was deserted. The houses were locked and street lights provided the only illumination. Blaring juke boxes, which the FBI said decorated many of the lawns, were stilled.

# OPPORTUNITY IN ARMY IS CITED

The U. S. Army and U. S. Air Force must provide occupation forces in both Europe and the Pacific; they must train for the national defense; and they must maintain fighting effectiveness through long-range research and development. M-Sgt. H. J. Myers of the Hanover recruiting office said today.

To carry out these responsibilities, they must have a steady flow of 30,000 volunteers each month—21,000 for the Army and 9,000 for the Air Force.

Since not more than three out of every five potential recruits can measure up to the new high standards for the Army and Air Force service, the actual monthly requirement is 50,000 applicants for enlistment. This manpower need is one of the most urgent problems confronting the armed forces.

Because only the best can qualify, unprecedented career opportunities are offered for volunteers who measure up. New high pay scales provide a minimum starting pay of \$75 a month for privates (actually the equivalent of \$200 a month in civil life) Every man receives an additional five per cent of his base pay for each 3 years of service, up to 30 years. Enlisted men serving overseas draw overseas pay amounting to 20 per cent of their base pay, and men assigned to flight or glider duty get an additional 50 per cent. Parachutists get \$50 extra a month. Other benefits include free medical care, food and lodging, 30 days vacation a year and retirement with a generous pension after a minimum of 20 years of service.

Also offered are opportunities for education. Men who volunteer for three or more years of service and meet qualifications now may choose their specialist training course before they enlist. Men between the ages of 20 and 26½ who can qualify for Aviation Cadet Training may obtain a one-year flying course leading to a pilot's rating and a commission in the Air Force Reserve. Enlisted men in the Army Ground Forces may qualify for the new Potential Leader's Course and train for service as non-commissioned officers or for enrollment in officer candidate school and advancement to commissioned status. In addition to those specialist and professional training opportunities, all military personnel may enroll in any of the hundreds of courses taught by the

# OWL CONTESTS HAPE UP FOR NATION'S BEST

By JOE REICHLER

New York, Nov. 24 (AP)—Except for conquering Notre Dame and undefeated Pennsylvania, five of the nation's seven undefeated major college football teams today were here bowl-bound or were awaiting "clashes" to participate in post-season clashes.

Three of these elite eleven, Michigan and Southern Methodist, with a spotless slate, and undefeated Southern California already were "in" no matter what happened from here on in. The other two, unscathed Penn State and undefeated Kansas, haven't received any definite offers but both are reported being under consideration for appearances in bowl games.

Undefeated Notre Dame already announced its apathy toward any post-season games as has once Penn. Each still has one game to play on its regular season schedule, the Irish meeting Southern California in a decisive game December 6, and the Quakers engaging Cornell in a traditional Thanksgiving Day game.

Trojans vs. Michigan  
No matter what the outcome of the Notre Dame-USC game a week on Saturday, the Trojans will face Michigan in the Rose Bowl at Pasadena, Calif., New Year's Day. Saturday's 6-0 win over UCLA insured it for the Trojans. The Wolverines clinched their entry last week when they swamped Wisconsin for the Big Ten title. The 21-0 triumph Saturday over Ohio State, only tightened their grip.

Southern Methodist, the last of the four unbeaten and untied teams, has a certainty to be the host team in the Cotton Bowl at Dallas, Tex., January 1. The Cotton Bowl takes the Southwest conference champion as host team. SMU has not yet clinched the title but can do so by beating Texas Christian next Saturday.

However, victory over Baylor insured the Mustangs' appearance in the bowl since only Texas could tie SMU for the title should the once-beaten Longhorns beat Texas A. and M., Thanksgiving Day and if SMU lost to TCU precedent calls for the team that lost to the other during the season to withdraw from the Cotton Bowl picture in case of a tie.

Although Jordan C. Owbby, president of the Cotton Bowl Athletic association, has stated that the guest team has not been decided as yet, it is felt that Penn State would get the nod. Penn State concluded its first undefeated, untied season since 1912 Saturday by wallowing Pittsburgh 29-0.

Others Considered  
Other schools under consideration include Georgia Tech, Mississippi and Kansas. A committee is expected to go over all available teams today. Kansas, sharing the Big Six conference title with Oklahoma, was being mentioned prominently but not only for the Cotton Bowl, but for the Sugar and Orange Bowls.

Alabama, probably the best team in the south after a wretched start, has been chosen as host team in New Orleans' Sugar Bowl. The Crimson Tide gave a pre-bowl performance Saturday by whaling Louisiana State 41-12. No teams have been announced for the Orange Bowl in Miami.

In addition to clearing up the bowl pictures somewhat, several conference champions were decided Saturday.

Here are the conference champions:  
Ivy league—Pennsylvania.  
Big Nine—Michigan.  
Big Six—Kansas and Oklahoma.  
Big Seven—Utah.  
Pacific Coast conference—Southern California.  
Missouri Valley—Tulsa.

Other Prospects  
Southern conference—William and Mary can clinch by defeating Richmond Saturday.  
Southwest conference—SMU leads with 5-0. Can get a tie at the worst if it loses and Texas (4-1) beats Texas A. and M.

Southeastern conference—Mississippi (5-1) can win with a triumph over Mississippi State. A Mississippi defeat and a Georgia Tech victory over Georgia would give the Yellow Jackets the championship.

Although none of the unbeaten teams were topped off their perch, Saturday's busy schedule saw some upsets including Northwestern's 28-13 victory over Illinois, Indiana's 16-14 win over Purdue, North Carolina State's 7-2 triumph over Virginia, Maryland's 20-6 win over Vanderbilt and Tennessee's 13-6 victory over Kentucky.

## Bears And Hornets Lead Hockey Ranks

(By The Associated Press)

The Hershey Bears and the Pittsburgh Hornets, who met for the American Hockey League championship last season, continue to lead the Eastern and Western divisions respectively in the current scramble today but neither could boast a cozy advantage.

Hershey traded victories with the runner-up Providence Reds while the Hornets swamped the St. Louis Flyers, 12-1, in the only game they played.

The Bears nosed out the Reds, 5-4 Saturday but suffered an 8-2 lacing last night that cut their margin to a single point. Player-manager Terry Reardon got his Reds off on the right foot by scoring twice before five minutes of play elapsed.

A point back of the Reds are the New Haven Ramblers who also split week-end decisions, bowing, 6-4 to the Philadelphia Rockets Saturday and winning, 4-3, over the Springfield Indians.

## STATE MAY NOT ACCEPT BID TO BOWL CONTEST

Philadelphia, Nov. 24 (AP)—The Nittany Lions of Penn State today faced only the sort of decision that every football coach hopes for—whether or not to capitalize on their unbeaten and untied record by taking part in a post-season bowl game.

That was the sole problem remaining for Penn State Coach Bob Higgins after his eleven shook an old jinx Saturday by defeating Pittsburgh 29 to 0 for the first time since 1943 and completing the first Penn State perfect season in 35 years. Higgins said after the game that his boys had received at least one bowl bid but added he doubted if that one or any would be accepted.

Penn State had been mentioned with Georgia Tech, Mississippi and Kansas as the guest team for the Cotton Bowl January 1.

Temple's only other Pennsylvania major football power in action Saturday—lost to West Virginia 21-0 at Morgantown, W. Va., Penn was idle awaiting the Thanksgiving Day clash with Cornell this Thursday.

Lafayette defeated Lehigh 7 to 0 in the 83rd renewal of their football classic.

Muhlenberg continued to roll along, defeating Bucknell 39 to 0 for its eighth victory in nine starts.

Villanova scored twice in the final period to defeat the University of San Francisco in an intercollegiate tilt on the west coast yesterday, 21-19. The Villanova Wildcats now have only to await their December 6 meeting with Kentucky in the Great Lakes bowl.

Other Winners  
St. Francis defeated Alliance 18-6 in another game yesterday at Johnstown, Pa. It was St. Francis' fourth win without defeat or tie but marked the first score against the Saints this year.

Favored Scranton university was hard pressed to defeat St. Vincent 27-19 on another all-state Sunday gridiron contest. The Scranton eleven rallied in the last two periods to score their winning touchdowns.

Other scores:  
Haverford 13, Swarthmore 0; Pennsylvania Military college 27, Albright 19; Juniata 20, Lebanon Valley 6; Dickinson 7, Washington and Jefferson 7; Grove City 7, Carnegie Tech 0.

## 4 TOP TEAMS ARE UNBEATEN

New York, Nov. 24 (AP)—Two college football eleven—Upper Iowa and Southern Oregon College of Education—were knocked off the unbeaten and untied list over the week-end leaving 14 teams with perfect slates today.

Of these, only four, Notre Dame, Penn State, Michigan and Southern Methodist, are major eleven. Penn State and Michigan have already closed out their regular seasons, although one, if not both will appear in post season clashes. The Irish and Mustangs each still have one game left on their regular programs.

## Curtis Stone Wins 10,000 Meter Event

Philadelphia, Nov. 24 (AP)—Curtis Stone, last year's two-mile IC4A winner from Penn State, won the 40th annual senior Middle Atlantic A.A.U. 10,000 meter (6 1/4 mile) race in a close finish yesterday at Fairmount park.

Stone was clocked in 32:35.0 as he edged George Thompson, of New Rochelle, N. Y., a Villanova college

# BROWNS, YANKS TIE; REDSKINS DEFEAT CARDS

By RALPH RODEN

New York, Nov. 24 (AP)—The Cleveland Browns, defending All-America Football conference champions, apparently will be the only eleven in their circuit or the rival National Football league that will enter the 1947 championship playoffs well rested.

While the Browns, who nailed down the A. A. C.'s Western division flag a week ago are taking things easy, the title races in the Conference's eastern half and in both sections of the National League are far from over.

The New York Yankees, who battled the Browns for the conference crown last year, currently pace the eastern half by a game while over in the National league, the Pittsburgh Steelers enjoy a half-game edge in the eastern title battle and the Chicago Cardinals and the Chicago Bears are deadlocked for the western half lead.

**Come From Behind**  
Before 70,000 fans yesterday, the Browns came from behind a 28-0 deficit and tied the Yanks, 28-28 with Otto Graham leading the way.

The second place Buffalo Bills, who meet the Yanks next Sunday in a game that may decide the eastern half title, crushed the Baltimore Colts, 33-14 in Baltimore with Chet Mutyryn and Julie Rykovich spearheading the attack.

Meanwhile, the red hot Bears, defending National league title holders, pulled into a tie with the Cards by swamping the Steelers, 49-7 while the Washington Redskins were upsetting the Cards, 45-21.

The Bears, who now have won seven in a row, scored at least once in each period in handing a Jock Sutherland coached club its worst setback.

The Philadelphia Eagles missed an opportunity to supplant the Steelers at the top of the eastern half parade as they dropped a 21-14 decision to the Yanks in Boston.

Boley Danciewicz pitched two touchdown passes and scored another to spark the Yanks to their first triumph over the Eagles in the loop's history.

In the remaining National league games the Green Bay Packers and the New York Giants fought to a 24-24 standstill and the Los Angeles Rams cruised to a 28-14 victory over the Detroit Lions in Los Angeles.

The Rams' All-America conference rivals, the Los Angeles Dons, came from behind to defeat the hapless Dodgers, 16-12 in Brooklyn in the conference's other game.

## Sports Roundup

By HUGH FULLERTON, JR.

New York, Nov. 24 (AP)—One thing some of the Green Bay Packers can't understand (besides how they can manage to look good and still lose one-point decisions) is why college scouts don't jam the stands to spy on their defense against the "T" formation. Coach Curly Lambeau has come up with a new setup that has been most effective against the "T" but he won't tell anyone all the details. Ed Cody, the Packer fullback, figures he should be a buddy of Jack "Lucky" Lohrke. When Ed was at Boston college he passed up a visit to Coachgrove the night of the tragic fire there. Later he was watching a basketball game at Purdue when he decided to go out for a smoke. He had just stepped off the bleachers when they collapsed disastrously.

## MONDAY MATINEE

Wonder why the unofficial bowl selectors haven't said more about William and Mary, which has a better-than-fair record? . . . And did you know that Notre Dame will lose five of its six "starting" tackles after this season? Well, all six are good enough to be starters on any other team. . . . Alonzo Grandy, who performed the almost incredible feat of bowling 20 successive 300 games in 1902, plans to return to bowling this winter. He quit the day after his double 300 because the railroad business kept him too busy, but now he has retired and is returning to his old home town of Wausaukee, Wis.

## DOTS ALL, BROTHERS

Dumb Dan Morgan maintains that Joe Louis is the easiest champion to hit that he ever saw. Trouble is that most boys these days are too smart to hit Joe. . . . Carl K. Dellmuth, Swarthmore college athletic director, wants to organize an American league to play football under Australian rules. Some of the players have a hard enough time staying within American rules.

Hollidaysburg, Pa., Nov. 23 (AP)—Cornelius Lusardi, who won a coin toss in 1943 for a councilman position after his opponent tied him with 123 votes, gambled for his office again—and lost. Lusardi and Jesse Hartman each received 123 votes last November 4. They drew lots yesterday and Hartman won the councilman position in this western Pennsylvania borough.

## Renaissance Quint Plays Here Tonight

## LITTLESTOWN HI WINS 7-6 FROM NEW FREEDOM 11

New Freedom	4	2	0	12
East Berlin	1	4	1	4
Littlestown	1	4	1	4

Saturday's Score

Littlestown, 7; New Freedom, 6.

Littlestown's high school football team waited until the last game of the season to score its first triumph and thereby established Dallastown as champions of the Little Four conference which operated for the first time this season.

Coach Clay Evans' Thunderbolts were a distinct surprise to about 500 fans Saturday afternoon when they came from behind in the second period to gain a 7-6 victory over New Freedom on the Littlestown gridiron. The defeat prevented New Freedom tying Dallastown for the top loop position.

New Freedom scored its touchdown in the opening period when Baker whipped a 25-yard pass to Alwine on the 5-yard line from where he scored.

## Placement Decides

The Thunderbolts also took to the air to score their touchdown in the second period. Jack Miller passed 15 yards to King on the 20 and the latter raced the remaining distance for the score. Miller then placekicked the extra point for what proved to be the winning margin.

Probably the most thrilling action of the game came in the closing two minutes of play. New Freedom was deep in Littlestown territory and was threatening to pull the game from the fire but the determined Littlestown outfit held the York countians for three downs just one foot short of the goal line and recovered the ball in the last few seconds to smother the rally.

Littlestown outgained its opponents eight first downs to six. The Thunderbolts connected on five of 11 passes while New Freedom made good on two of five.

## OPPONENT FOR SMU WILL BE NAMED TODAY

Dallas, Tex., Nov. 24 (AP)—The team that will play Southern Methodist in the Cotton Bowl is due to be named today and there are strong indications that it will be undefeated, untied Penn State.

Such a clash would be the only bowl game in the country with two eleven boasting perfect records—that is, if Southern Methodist beats Texas Christian in the last game on the schedule. Penn State already has finished the season.

**Team To Make Choice**  
Coach Matty Bell of Southern Methodist said he would ask his squad this afternoon before practice which team it prefers meeting in the Dallas gridiron classic. He declared he was going to leave this up to the boys. Approval by the athletic committee of the school is needed before the selection goes to the Cotton Bowl athletic association but the committee has indicated it will pass favorably on any team the squad picks.

The Cotton Bowl association is due to have the name of the team by night fall, then contact will be made. Announcement is likely tonight that the host team has been selected and accepted.

Southern Methodist, while not yet Southwest conference champion, clinched the host spot in the bowl last week by beating Baylor 10-0. Texas, which plays Texas A. and M.

## STATE BOASTS PERFECT YEAR

Philadelphia, Nov. 24 (AP)—Penn State's defeat of Pittsburgh Saturday, 29-0, left the Nittany Lions in the number one spot in the Pennsylvania college football won-lost standings.

Penn State completed its season with a record of nine wins and no defeats or ties, the same as that registered by the West Chester Teachers', awaiting their Thanksgiving Day battle with Carson-Newman in the Burley Bowl.

St. Francis, in defeating Alliance yesterday, also remained unbeaten and untied, although yielding their first touchdown in four games.

The standings:

	W	L	T
xPenn State	9	0	0
xWest Chester	9	0	0
St. Francis	4	0	0
Pennsylvania	6	0	1
Muhlenberg	3	1	0

xShippensburg	5	2	1
xLebanon Valley	4	2	1

Thursday, still has a chance to tie SMU for the title should it beat the Aggies and the Methodists lose to TCU, but regardless Southern Methodist will be in the Cotton Bowl since it defeated Texas in regular season play.

## FBI Is Called In Ticket Scalping

Philadelphia, Nov. 24 (AP)—Police reported today that blocks of tickets for both the Army-Navy and Penn-Cornell football games have fallen into the hands of speculators. Both games are sell-outs.

Police said secret service men had been brought in from Washington to help the Internal Revenue Department track down violators. The department is concerned because resold tickets must be stamped with

Waynesboro, Pa., Nov. 24 (AP)—It was "D-Day for rodents" in this area today as hundreds of persons armed themselves with pellets of poisoned horse meat and prepared to wage an all-out battle against rats. The lethal campaign, planned weeks ago, has as its goal the extermination of the entire rodent population in this section as a grain conservation measure.

## Today's Talk

By GEORGE MATTHEW ADAMS  
PROFIT AND LOSS

How prone we are to look upon many of the most enriching experiences of the mind in terms of Profit and Loss, instead of appraising all these experiences in terms of mental and spiritual gain. For who is there among us who is able, adequately, to put a just appraisal upon beauty? Beauty's price is always mythical. The only genuine owner is the one who appreciates.

There is restfulness and a soothing to the soul in all things that are beautiful, whether they be pieces of prose, of poetry, or symphonies in music. And who would dare to put a mere price upon anything concerned with any of them? In this commercial age of ours, it is tragic to give judgment to a creation of beauty in terms of dollars.

The flower in a florist's shop is given a price, but as you view it there, it costs you nothing — and its Creator—God—receives no royalties!

I am a modest collector of art and books, and often the price I have had to pay for them has been more than I felt I should, but my love for them in terms of beauty, has always been the deciding factor, where I have been able to complete the transaction. Later the mere price may fall or rise, but that fact has never disturbed me, for I bought beauty, not Profit and Loss.

I once took luncheon with the late Frank Bacon, the lovable actor in "Lightnin'", and other plays; and as we sat and talked, he remarked that after he left me he was going to see a man who was going to make him an offer of \$50,000 for doing something in an allied field. "But," said Bacon, "I am not going to accept the offer, for you see, I am not commercial!"

You are familiar with the Bible statement: "For what is a man profited, if he shall gain the whole world, and lose his own soul?" The Rich Young Ruler, who became interested in Jesus, went to have a talk with him, and was told to go back home and sell all that he had and then return and follow Jesus. But he departed sorrowfully—"for he had great riches." The story does not say whether he came back or not, or followed the advice. Apparently he decided to keep his riches, considering their loss too great to bear.

Our greatest gains are those which enrich us inside—our greatest losses are mere outside ones!

Tomorrow Mr. Adams will talk on the subject: "Expect—High Aim Is Everything."

**SARDI**  
Sardi is a child of three.  
Now we must explain.  
None of us will ever see,  
Though she plays with Jane.  
Sardi comes at break of day,  
Leaves when bedtime falls,  
Enters in the strangest way  
Every time she calls.

Sardi talks upon the phone  
Time and time again,  
By some method of her own,  
Calling little Jane.  
Sardi's good as good can be,  
Pretty as her name,  
But when milk is spilled, 'tis she  
Who must take the blame.

What of Sardi we would know,  
Jane will not reveal.  
Still we love her as though  
She were very real.  
In imagination she  
Brightens childhood's years.  
Sad for all the day will be  
When Sardi disappears.

## ALLOCATION POWERS WOULD BE GIVEN U.S.

Washington, Nov. 24 (AP)—Broad allocation powers under which the government could buy the nation's entire wheat crop were proposed to Congress today by administration officials outlining specific points of President Truman's cost of living program.

Carl C. Farrington of the Agriculture Department's production and marketing division told the Senate-House Economic committee that even if this and other measures are undertaken, Americans will have 10 pounds less meat to eat in 1948 than this year and it will cost them more.

This will be true, he said, because less grain has been fed to livestock due to high wheat and corn prices and exports abroad and because demand will push meat prices upward.

**Could Have Emergency**  
A small wheat crop could produce "an emergency situation," Farrington declared in his prepared testimony. To cope with that problem, he added, the president should have powers "to make it possible for the government to become the sole buyer of the crop in a manner similar to that which was used during the war with respect to soybeans, peanuts and wool."

F. Marion Rhodes, of the department's production and marketing administration, urged continuation of export controls for two years beyond next February 29.

Rhodes said too that while the Agriculture Department is not directly concerned, it believes allocation powers should be extended to cover such products as petroleum, coal, steel, lumber, fibers, chemicals and some manufactured equipment.

Another department official, William C. Crow, head of the Marketing Facilities Branch advocated that controls over the use of transportation facilities be kept intact beyond their February 29 expiration date.

He said this is necessary because railroads now are operating with the smallest number of cars they have had in service in many years and special action already has been necessary to keep grain and perishables moving rapidly, to get cans to canners, feed to dairymen and grain to the ports.

## Consider New Pa. Veterans' Council

Harrisburg, Nov. 24 (AP)—Leaders of top Pennsylvania veterans organizations studied the possibility today of setting up a new statewide veterans council to advance legislation and other issues affecting veterans.

Holding a day-long session here over the week-end, commanders and other state officers of veterans' groups agreed to meet again in February after sounding out sentiment on the proposal in their own organizations.

The proposed council "would consist of representatives, primarily the department commander, of each organization and would be charged with the study of matters concerning veterans," explained J. Hugh McNeill, of Harrisburg, state liaison officer of the Marine Corps league and temporary secretary of the Saturday conference.

He said the council also would be active in the development of the education of veterans and other citizens in Americanism.

## Special Memorial Service For Davis

Pittsburgh, Nov. 24 (AP)—Fellow leaders of the Loyal Order of Moose planned a special memorial service here today for their Supreme Organizer and General Director, former Senator James J. Davis, who died early Saturday at the age of 74.

Private funeral services for Davis, the Welsh immigrant boy who became Secretary of Labor in three cabinets and was twice elected U. S. senator from Pennsylvania, will be held tomorrow morning. Burial will be in Union Dale cemetery.

Ill of a kidney ailment since September, Davis succumbed at a sanitarium near Washington. Since his retirement from politics in 1944 he had remained in the capital to direct the Moose organization, which he helped build up to its 700,000 membership.

Davis was popularly known as "Puddler Jim" because he got his start in life at steel mills in Pittsburgh and Sharon, Pa. He helped his father at a puddling furnace, where molten iron is stirred with steel hooks.

## HONEYMOONERS ATTEND CHURCH

Romsey, Eng., Nov. 24 (AP)—Princess Elizabeth and her prince charming retired again into the privacy of their honeymoon retreat at beautiful Broadlands today after emerging briefly into the limelight yesterday to attend Sunday services in thousand-year-old Romsey Abbey.

A crowd of country folk, clad in their Sunday best, cheered the royal couple as they entered the ancient abbey and again as they left.

The happy princess wore her first blue going away suit for her first public appearance since her wedding last Thursday, while Prince Philip abandoned his customary naval uniform for a dark civilian suit and a blue polka dot tie.

They were welcomed at the door of the Abbey by the Rev. Canon W. B. Corban, the vicar, but otherwise there was no special note taken of their attendance at the services, which were conducted just as they might have been on any other Sunday.

The royal honeymooners occupied cane bottom chairs in the first row in the nave in preference to sitting in the more conspicuous pew of Prince Philip's uncle, Earl Mountbatten, at whose estate they are residing.

## BEDNARIK AND SWIACKI AGAIN ON EAST TEAM

By HAROLD CLAASSEN

New York, Nov. 24 (AP)—Charles Bednarik, Pennsylvania center, and Bill Swiacki, Columbia end, are the only repeaters on the 1946 all-eastern college football team selected today by the Associated Press after consultations with coaches, scouts, officials and newsmen.

It was Swiacki's amazing pass catching that brought an end to Army's victory in mid-season and it was Bednarik's stellar defensive play that enabled Penn to hold the Cadets to a 7 to 0 deadlock.

Those two contests brought an end to Army's dominance in the east and also opened the annual eastern all-star selections to players from other schools in contrast to recent years when Cadets took virtually all the honors.

Eight schools placed men on the first team this year with Pennsylvania, Columbia and Army grabbing a pair of berths each. Others to be honored were Villanova, Penn State, Franklin and Marshall, Rutgers and Navy.

**Rosides In Backfield**  
Swiacki's Columbia battery mate, Gene Rosides, was placed in the backfield along with Frank Burns of Rutgers, Tony Minisi of Penn and Elyn (Rip) Rowan of Army.

The guards flanking Bednarik are Steve Suhey, Penn State's No. 1 lineman, and Joe Steffy, Army captain and one of the three 1946 remnants of the great 1946 team to play this year. The tackle duties were Dick Shimschak of Navy and Bill Lallenthal of Villanova, a three-year Army veteran who was a defensive genius for the Philadelphians all season.

**F And M Ace Chosen**  
Bill Iannicelli, Franklin and Marshall's great all-around athlete, is stationed on the flank opposite Swiacki. He was on the first team of the little college All-America team in 1943 before going to war for three years and returned to be even better than before. He caught 81 per cent of the passes thrown at him this season and is Uncle Sam's No. 1 hope in the Olympic javelin throw next summer. In his spare time he is a better-than-average sprinter.

The second team is made up of Ends Dale Armstrong of Dartmouth, and Tom Finical of Princeton; Tackles Ernie Stauffer of Boston College and Edmund Kulakowski of West Virginia; Guards Ben Coren of West Chester (Pa.) Teachers and Norman Iacule of Brown; Dick Scott of Yale at center and a backfield of Jeff Durlotta of Penn State, Norman Dawson of Cornell, Ferd Nacherny of Yale and Tom Gannon of Harvard.

Included among the honorable mentions were: Saylor, Lafayette; Marusa, Delaware; Bell, Muhlenberg; Stanczak, Lafayette; Cole, Delaware.

## Decision Today On Ross Trial

La Grange, Tex., Nov. 24 (AP)—A motion for a new trial for Dr. Lloyd I. Ross, San Antonio surgeon sentenced to death for the murder of Mrs. Gertrude York, will be ruled upon today by District Judge J. R. Puchs.

Dr. Ross was assessed the death sentence in his trial, which ended here October 23. The 43-year-old Harvard-trained surgeon was also charged with murder in the slaying of three other members of the Willard H. York family.

Testimony showed that Dr. Ross shot to death Willard H. York, 39, San Antonio investment broker and formerly a close friend of Dr. Ross; the broker's wife, Mrs. Gertrude York, 43; their son, John, nine and York's mother, Mrs. John York, 67.

Ann York, 13, daughter of Mr. and Mrs. Willard H. York, was wounded in the shootings on a lonely country road in Comal county. She pointed out Dr. Ross as the man who shot her and her family.

Dr. Ross did not deny the shootings. His attorney pleaded Ross was insane and that the crimes were prompted by the surgeon's loss of his life savings of \$150,000 which he had entrusted to York for investment. York had filed bankruptcy proceedings shortly before he and his family were ambushed en route to church.

## Divorcee, Escort Stabbed In Auto

Easton, Pa., Nov. 24 (AP)—A 27-year-old divorcee and her escort were stabbed several times as they sat in an automobile outside the woman's home yesterday.

At Easton hospital, where the couple was taken, police identified them as Grace Guiano, Easton, and Freeman Pohn, 27, Stewartsville, N. J. The woman had been stabbed in the throat while Pohn was cut in the chest and legs. Neither was in serious condition.

Both said they believed the assailant had been waiting outside the woman's home and that he pulled the car's door open without warning and used a small-bladed knife in the attack.

Police sought for questioning the

LONDON CONFAB OPENS TUESDAY FOR LAST TRY

London, Nov. 24 (AP)—Approximately 500 aides, secretaries and experts put the finishing touches today to preparations for the Big Four Foreign Ministers conference, which convenes here tomorrow for what many observers believe may be a last attempt to reach unified peace settlements with Germany and Austria.

Soviet Foreign Minister V. M. Molotov arrived yesterday by plane and French Foreign Minister Georges Bidault—last of the four principal participants in the conference—was expected tonight.

Doubts over the identity of France's representative were cleared away last night with Bidault's retention in the new coalition cabinet formed by Premier Robert Schuman. Immediately after his appointment Bidault announced his

intention of departing for London today.

**Preliminaries**

British informants said that Britain's Foreign Secretary Ernest Bevin probably would see Molotov and U. S. Secretary of State George Marshall arrive here Friday.

Soon after Molotov's arrival the Soviet embassy announced that his principal aide in the discussions would be Deputy Foreign Minister Andrei Y. Vishinsky, who was expected to depart for London as soon as his duties at the United Nations assembly in New York would permit.

London hotels were crowded with delegation staffs as well as with some 300 newspapermen assembled from all over the world to cover the conference.

**Strictly Business**

British government sources emphasized that the conference would be strictly business and that entertainment would be held to a minimum in keeping with the country's austerity regulations. They said there probably would be a reception later in the week in honor of the visiting delegations, but nothing lavish was planned.

The same sources said that the opening session tomorrow would be devoted to formalities, with Bevin welcoming the visitors on behalf of his government.

On Wednesday the foreign ministers were expected to start discussing an agenda—a matter on which their deputies were unable to agree in preliminary talks.

ASSAILS MAXEY FOR 'OPINIONS'

Harrisburg, Nov. 24 (AP)—Sharply critical of comments of Chief Justice George W. Maxey of the State Supreme court on Pennsylvania's new local tax law, Rep. H. G. Andrews (D-Cambria) says the courts are using their powers to impose "the personal views of a particular judge."

Declaring in a statement yesterday "the judiciary is becoming

increasingly a law unto itself," Andrews added:

"About the only time the judges of the various courts seem to appreciate their relative position in the scheme of things is when they come, hat in hand, petitioning the general assembly for an increase in salary."

Andrews apparently alluded to an 18 to 20 per cent increase in salaries granted by the 1947 legislature.

Of Maxey's comment that the new law permitting municipalities to enact any tax not already levied by the state would drive industries out of the state and discourage new ones, Andrews said:

"The issue pending before the court was not the wisdom of the act but rather its constitutionality. As to whether the views voiced by the chief justice evidenced such a grave misuse of the judicial functions as to merit impeachment—or whatever they do with Judges who misuse their power—is doubtless a matter of opinion."

Chief Justice Maxey withheld comment on the statement at Scranton.

Suicides Follow Early Wedding

Greensburg, Pa., Nov. 24 (AP)—Bridges W. Pittard, Jr., 24-year-old Carnegie Tech student, and the former Helen Grove Brown, 21, who were married the day before their scheduled church wedding, were found dead in an automobile parked behind a lonely graveyard, state Policeman Harold S. Luther said.

Luther said yesterday Pittard and the girl, married by an alderman in Pittsburgh Friday, apparently died of carbon monoxide poisoning in the car to which the policeman said an air hose had been attached to the exhaust pipe and extended through a window.

Luther said Pittard, a World War

II Army veteran, and his bride apparently had taken sleeping pills, washing them down with the contents of an empty soft drink bottle also found in the rented car.

The state policeman said the air hose had been held in place by black tape and that Pittard's overcoat had been stuffed in the window opening to keep out all air.

THE WALL STREET JOURNAL SAYS:

"Dealers Handling Kaiser-Frazer Cars Offer the Highest Trade-In Allowances"

"I hope that's true of our dealers everywhere!" says Joseph W. Frazer

I don't know that all of the more than 4,000 Kaiser-Frazer dealers are offering "highest trade-in allowances," as reported by the press, but I sincerely hope so. For personally, I feel that the used-car allowances being made by many automobile dealers today are far too low.

We have constantly urged our dealers to offer fair trade-in allowances, based on what cars will bring when they are re-sold, less the cost of handling and reconditioning.

Such fair practices, we tell our dealers, will build for them sound and continuing business.

Before you come to a decision on your next car, I hope you will find out what your Kaiser-Frazer dealer will allow you on your old car. Dealing with him, you'll not only receive fair treatment on both sales and service, but you'll get the most modern automobile built today.

that had recently come before the officers of the ministerium. The Rev. Kenneth D. James, newly elected president of the ministerium, presided. A request was read from the Littlestown Youth Center asking cooperation and assistance. A contribution of \$5 was voted toward the support of this important community project.

The president then requested that the ministerium grant a loan of \$25 to the Cub Scouts so that they will have money to work with in getting their program started. The request came to the ministerium since they have sponsored the Cub Scouts, and the Rev. Mr. James is the Cub Master. The request was granted.
